#### ABOUT US

Harris Public Safety and Professional Communications is a leading supplier of assuredcommunications® systems and equipment for federal, public safety, utility and transportation markets, with products ranging from the most advanced IP voice and data networks, to multiband radios, to public safety-grade broadband video and data solutions with over 500 systems deployed worldwide.

#### TAKING SURVEYS

As a member of our panel, you will receive invitations to take surveys. In your own time, you can share your opinions on companies, products, brands and campaigns.

[FORUMS](#) : [DISCUSSION](#) : [SEARCH FOR MEMBERS](#)

#### • [Talk2Harris Website Discussions](#)

Here is where you can start a threaded discussion about the website itself. Suggestions, comments, questions to the Talk2Harris team or each other - this is where you can post and get responses directed to you.

#### • [United Way Campaign](#)

Favorite organizations of yours...that sort of thing.

#### • [Cool Applications for Android Phones](#)

There seem to be a zillion of them out there! Any good ones? Bad ones?

#### • [Quick Poll Suggestions](#)

Have something you want quick feedback on? Here's the place to suggest a Quick Poll topic.

#### • [Reallocation of the 700 MHz D block spectrum to public safety](#)

Ending the use of T-band for public safety communications. First Re-banding, then Narrowbanding, now this. Tells us what you think. What impact will this have for your customers/your business?

#### • [Unity Unleashed](#)

The Unity Radio - now we KNOW you have an opinion on this one!

#### • [EDACS eMigration](#)

Questions/comments on migration from EDACS?

#### • [P25 Progress](#)

P25 - with your customers and in the market in general?

#### • [DMR Dynamics](#)

Digital Mobile Radio

#### • [Competitor Commentary](#)

Issues, questions, comments on Harris' competitive environment? Here's the place for things like that.

#### • [General Topics](#)

Discuss anything here.

#### • [Suggestions for Forum Categories](#)

What other categories should we have to organize issues and questions for Dealers?

#### PROFILE

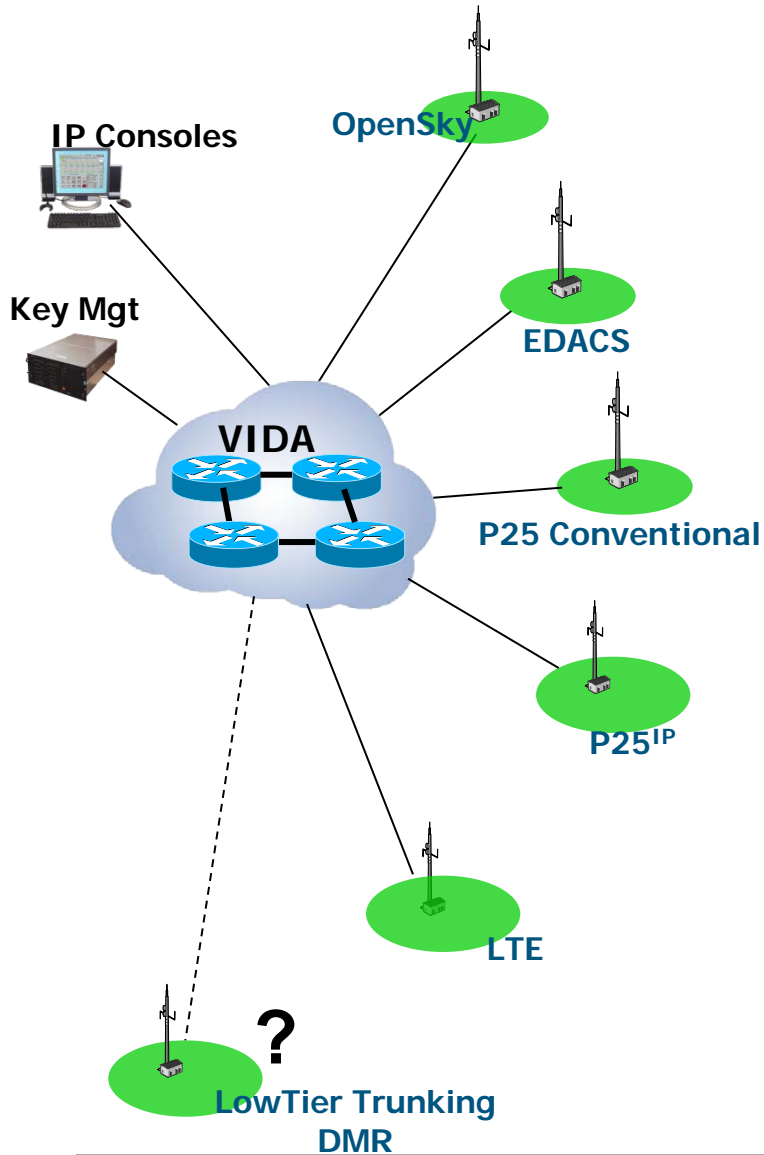

Welcome
